

KING EDWARD VI
SHELDON HEATH
ACADEMY

Dear Families,

We hope that you are well and your child/children have settled back into their school routines.

We had a full set of school photos yesterday and your child should have brought a QR code home with them to enable you to purchase a copy of the photo if you would like to do so. The photos should be available online within the next 3 days. If for any reason your child has lost the code, please let us know and we will provide you with a copy.

A reminder that all written communication with families will soon be through the Arbor app – this is also where you can put money on your child's account if you need to pay for a trip or top up their dinner money balance. We notify parents of house points, detentions and homework on the class charts app, so it is important that you have access to both of these apps to give you the full picture of how your child is progressing at KESH. If you do not have access to either app, please let us know and we can provide you with information on how to log on

Tomorrow, we have our Open Evening where we welcome families with children in year 6 to the Academy. This means that the school will close to students at 12:30pm. Any students who receive free school meals can collect their lunch at breaktime and take it home with them. Although this is only a half day it is still essential that students attend. They will have their form time session in the morning followed by 3 hours of lessons, and any absence will mean that students miss out on valuable learning. Information on our key dates can be found on the Academy calendar.

Best wishes,

Mark Billyeald

Head of School
