

Dear Parents

We thank you for your support, especially in securing good attendance during this crucial time in your child's education. This has been an intensive examination period; students have behaved very well and we hope are securing good results.

Further to our text last Friday, Year 11 students are only required to attend the Academy for their exams and revision sessions from this point forward. Students are expected to attend all revision sessions so that they receive the supported and bespoke teaching required to achieve their best in the forthcoming examinations. The table at the back of this letter shows the timings of all the revision sessions students are expected to attend as well as the dates of their remaining examinations.

Students are required to:

- Be in full school uniform whenever at the Academy.
- Attend all sessions promptly.
- Ensure they are at Academy no later than 8am for a morning exam and no later than 12:40 for an afternoon exam.

Thank you in advance for ensuring that your child attends all sessions promptly.

KESH Academy

Date	Time	Activity	Students required to attend
