

KESH Academy In-Year Admissions Process 2021

At any point from September after the pupil starts Year 7, parents/carers may apply for a place by contacting the academy directly. The academy will provide an in-year application form which should be emailed to: info@keshacademy.com

In-year vacancies normally only become available if a current pupil is leaving the school. Any applicant who cannot be offered a place will be added to the school's waiting list which is held in accordance with the admissions criteria in the Admissions Policy.

Parents/carers will need to reapply at the start of each academic year if they want their child to be included on the waiting list where a place cannot be offered.

The Academy aims to notify parents/carers of the outcome of their in-year application within 10 school days, and we will provide written notification within 15 school days.

The Academy will provide details of places available to the Local Authority within two school days of a request for the information. This enables the local authority to monitor availability of academy places in Birmingham and supports Keeping Children Safe in Education.

The Academy will notify the local authority of an In-Year application and its outcome as soon as reasonably practicable, aiming to do so within two school days.

Children referred for placement via the Fair Access Protocol must be allocated a school place within 20 school days.

The KESH admission form is available on the admissions section of our website. www.keshacademy.com
